If you are scared or unsure.....

1. Stay Calm
2. Find a trusted grownup
3. Use this card to call someone
4. If you are told to, go to one of 'Our Meeting Places'

## Important Reminder

You are NEVER in trouble for asking for help.  
If something feels wrong or confusing, tell a grown-up right away.

## What to do during a storm

- Stay inside with your grown-ups
- Keep your phone or tablet plugged in
- Help younger siblings or pets stay calm
- Only use flashlights (no candles!)
- Listen to instructions from adults

I'm nervous:
